

Running Club Dismissal Update...

Thank you for your patience during our Running Club dismissal last week. We realize that the process was a bit rocky as we attempted to implement changes to our procedures to ensure that all of our students were as safe as possible. In light of this, we have made some adjustments that we hope will make this a smooth, but safe process. Beginning this Wednesday, we will ask for all students and parents to adhere to the following dismissal procedures for Running Club.

1. All students will be required to sit in a designated area based on their grade level once they have completed running/walking.
2. All parents are asked to please park and walk to their child's designated area to retrieve him/her.
3. Parents will be asked to sign their child out from the teacher/administrator assigned to their child's designated area.
4. No student will be released from Running Club without a parent signature unless the parent has indicated that their child may walk, attends YEP or attends Choir immediately following Running Club. Please Note...once a student has been signed out by a parent, the parent becomes responsible for monitoring their child.
5. At the conclusion of Running Club, an adult will escort students who walk home across Grover or Ockley.
6. At the conclusion of Running Club, another assigned adult will walk students who participate in YEP and in Choir to their designated locations.

If you have any questions regarding this information, please feel free to contact me at 865-5675. Again, thank you for your support in this wonderful program and for helping to ensure your child's safety.
